

A. B. C.'s AND MONARCHS

C. I. Taylor will cart his crew all the way to Kansas City for the specific purpose of downing the Monarchs and thus gain the lead that the chilly, wet atmosphere prevented him from taking last week on the K. C. crowd. These two teams are about evenly matched in hitting and general ability, so the games at Kansas City opening day, May 29 and Sunday, also Decoration day, should be hard fought battles, with the edge resting with the luckier ones who get the breaks. The Elks of Kansas City are going to give baseball an awful boost and the A. B. C.'s intend to give the Monarchs an awful setback. This series will be one of the hottest ever contested.
