

ALL NATIONS TAKE 2 GAMES

**FROM LOCAL TEAM, FIRST BY
SCORE OF 7 TO 5, SECOND BY
4 TO 0**

Little Falls was handed the small end of the stick by the All Nation baseball team in two games Wednesday. The first game was played in the afternoon and resulted in the defeat of the locals by a score of 7 to 5. The second was an evening game, in which the locals were shut out, 4 to 0, in six innings.

Newman started out in the box for the local team in the first game, but was hit by a line drive by Mendez in the first half of the third inning, and Dominick was put in. He allowed eight hits, passed three men, and struck out four. Mendez played a good game for the All Nations, allowing eight hits, struck out five men and passed three.

The visitors started scoring in the second inning when with one man out, Dunbar passed, Brindley hit one into left field which proved good for two bases, and Dunbar scored on a scratch hit by Mikami. Brindley then scored on Jackson's fly to right field. Seymour grounded out shortstop to first, retiring the side.

They made two scores in the third inning. Donaldson got a single, Crow got first and second on an error by Lauermann and Donaldson went to third. Mendez sent out a line drive which struck Newman in the stomach, rendering him unconscious. Donaldson scored but Mendez was retired Smith to Lauermann. Blattner then got a two-bagger, scoring Crow, and Brindley grounded out, shortstop to first.

Little Falls got all their scores in the last half of the third inning. The excitement started when Smith went to first on an error by Dunbar. Dominick and Krey singled, scoring Smith. Dominick started for home but was retired on a squeeze play. Brandel got

a hit, advancing Krey and Lonier found the ball for a two-bagger, scoring Krey, Murphy went first on a passed ball and Brandel scored, Tanner grounded out, Mendez to Dunbar and Lonier scored. Berg and Lauer-mann each got a hit, scoring Murphy. Smith then struck out, retiring the side.

The All Nations completed the tally in the first half of the fifth inning, when they secured three more scores. Crow singled and advanced to second on a hit by Mendez, and scored on an error by Smith. Blattner singled, scoring Mendez and scored on a two-bagger by Jackson. Dunbar grounded out to first, Brindley flew out to short and Mikami flew out to first, ending the scoring for the remainder of the game.

The Evening Game

The second game was started at 6:15 p. m., and lasted but six innings, being called on account of darkness.

Wermerskerchen or Pierz worked on the mound for the locals in this game,

and acquitted himself in a creditable manner. He struck out four men, allowed but five hits and passed two men.

Donaldson, for the visitors, played his usual game, striking out thirteen men, allowing but two scratch hits and issuing but one pass. Considering the fact that it was very dark during the game, it is a wonder that any of the players dared face Donaldson as his delivery is nearly as swift as lightning. Several times the batter was just preparing to swing the bat when the ball would already be tucked away in the catcher's mitt.

The All Nations started scoring in the first half of the first ining when Mendez got a two-bagger, advanced to third on a sacrifice hit by Crow and scored on a balk. Blattner then singled, advanced two bases on a single by Dunbar and the two scored on an error by Lonier.

They made their fourth score in the fifth inning when Donaldson got a three-bagger and scored on a hit by Blattner.

Little Falls was not given a single chance by Donaldson and only two men who saw first base, these being Berg and Wermerskerchen, the latter reaching third.

Following is the line-up and summary of the two games:

Afternoon Game

Little Falls	AB	R	H	PO	A	E
Krey, ss	4	1	2	4	6	1
Brandel, cf	4	1	0	3	0	0
