

BRANDEL SIGNS WITH THE ALL NATIONS

Elmer Brandel, known to local baseball fans as "Brun," has joined the All Nation team, which played here last week.

Brandel played here until Thursday of last week, when he went to Anoka and signed up with the M. & A. league. Anoka played with the All-Nations on Thursday of last week and it was in this game that Brun won his fame. "Cannon Ball" Jackson pitched the first part of the game for the All-Nations but he was taken out and Donaldson put in when Brun got two hits off him. The score was then 2 to 1 in favor of the All-Nations. Brandel went up to the plate and got a hit. He sent one out which brought in two scores, the bags being filled when he stepped up to bat.

Manager Iverson of the All-Nations immediately got Brandel to sign up with him and he played his first game with them at New Ulm, where they

won by a big score.

Brandel is one of the best players Little Falls ever had. Although the fans were disappointed to see him leave they are wishing him all kinds of success with the All-Nations.
