

The All-Nation team from Kansas City won a double header from Casper, Wyo., the first one by the score of 5 to 0. The batteries were: Casper, Loy and Hogan; All-Nations, Barnes and Coleman. The second score ended in favor of the All-Nations, 6 to 4. Batteries: Casper, Chief Hungry and Hogan; All-Nations, Terrino, Donaldson and Coleman. The Casper team so far has lost only these two games, and had a clean slate till the All-Nations struck them, but the Kansas City nine knew they were in the game. The Casper team probably will play in The Post tourney next month.
