

A. B. C.'S WON SECOND OF SERIES.

On Monday the Indianapolis A. B. C.'s gave a demonstration of their true class by beating the All Nations by the score of 8 to 1. The game was slow and uneventful and was cinched by the Taylorites at the beginning. The All Nations promised that Tuesday's game will be a humdinger in which the Cuban Mendez will be pitted against Charleston of the A. B. C.'s.

The third game of the All-Nations-Indianapolis series at Association park resulted in a one-sided contest, with the All-Nations romping home by a score of 9 to 1. Mendez, the All-Nations' star pitcher, fanned ten of the dusky athletes from Indianapolis and not a man reached third base until the ninth inning, when Lyons of the All-Nations missed an easy fly in right field. Mendez deserves all the

credit for winning the game, as he let the A. B. C.'s down with two hits and this is remarkable when it is considered that Mendez plays every day at his regular position as shortstop.

The final and last game between the All-Nations and A. B. C.'s was

played Wednesday at the Asociation park. The management made it ladies' day, and more than three thousand fans were in the stand when the umpire called to play. Our sporting editor has no hesitation in saying this is the most thrilling, exciting and hotly contested game of baseball played here this season. We shall not attempt to elaborate but simply say that the game was not won until the last man was out in the last half of the eleventh inning. The final score was 4 to 3 (11 innings) in favor of the A. B. C.'s. Both Williams and Donaldson pitched a grand game, Williams having a shade the best of it while

the hitting of Torrento and Gatewood was terrific. Mr. Taylor made a decided impression upon the fans of this city by the gentlemanly deportment of his men and his skillful manner in handling his team, and it is needless to say the A. B. C.'s will be prime favorites in this in the future.

The Chicago Union Giants come to-day, Sunday and Monday for three games. And then comes the World's Negro Champions, Rube Foster's American Giants, and the fans predict that the banner crowd of 7,000 that witnessed last Sunday's game will be surpassed when Rube comes.
