

ALL NATIONS AND PLUTOS

LOCALS WILL MEET FAST PROFESSIONAL BALL TEAMS NEXT WEEK

Manager Newman of the Blues has made arrangement to have the local team meet the All-Nations at the fair grounds next Wednesday evening, beginning at 6 o'clock.

The All-Nations on their tours throughout the country lose few games and are very fast. Donaldson, the wonderful colored pitcher, who worked with the team when they were here last, is still with them, and will likely be on the mound.

It is likely that the Plutos of French Lick Springs, Indiana, the fast colored professional team, will also play here with the locals on some day of next week.

The locals are also trying to arrange a game with St. Cloud to be played in the granite city a week from next Sunday.
