

MANAGER BRADFORD, of the Storz, has secured the services of "Pep" Sanders, star slabman of the Dick Bros. team, Kansas City, to pitch Sunday's game against the "Broom" Donaldson, the colored marvel of the All Nations. Pitching against the strongest semi pro teams of Kansas and Missouri Sanders has a record of eight straight victories this season.

A graduate of William Jewel college, Liberty, Mo., (the home of Pa Rourke's dandy center fielder), he coached the team for two seasons, signing with the Western association in 1912, he proved to be the sensation of the league, but gave up the game to enter on a business career.

Dale Gear, of Topeka, anxious to secure his services, wired him on the 25th of May to join the Kaws at St. Joe on the 28th, but having bright prospects of a future with the Sherwin-Williams people, refused the offer, on the advice of the Kansas City manager, and was given a responsible position with their Omaha branch.

With two great twirlers battling for honors, Sunday's game will likely prove to be a game to be remembered.

Today's game will also be a remarkable contest with the Storz great slabman, Olson opposing "Cannon Ball" Jackson, the wonderful colored right-hander. The line-up:
