

ALL NATION CLUB IN NORTH DAKOTA

Aggregation of Ball Tossers Now Meeting Teams in Southern Part of State.

Grand Forks, N. D., June 21.—The famous All-Nations team is again in North Dakota and is at this time playing in the southern part of the state. The tour was started from Oklahoma City, Okla., where the club had its training quarters. John Donaldson, the great negro pitcher, probably the greatest moundsman outside the big leagues, is again with the club and thus far he has thrown two no-hit contests and has a record of 48 consecutive innings without a score.

The Cuban infielder, Mendez, is also with the club this season, as is Lopez, the Mexican shortstop, and Blatnied, the giant Hawaiian second baseman. The All-Nations have added a Jap, Jacobi, to the pitching staff, who is proving a wonder this year.

Thus far the club has played 45 games and won 39 of them. The longest contest was played at Sioux Falls, S. D., where they lost a 19-inning battle, 1 to 0, which Donaldson threw, fanning 30 men.
