

"ALL NATIONS" WIN AND LOSE

Sidney, Mont., July 3.—The All Nations lost an interesting game here today to the Sidney club by a score of 6 to 5.

Russell, the All Nation pitcher, was knocked out of the box in the first inning when the Sidney club secured five runs, he was then replaced by Chief Smith, who held the Sidney club to two hits the balance of the game. Sidney secured the winning run in the tenth inning on a walk and a hit.

The All Nations played an uphill game and batted the ball hard securing twelve hits but fast fielding by the home club cut off several runs at the plate.

The feature of the game was the home run drive of Donaldsons of the All Nations, the drive being the longest ever made on the Sidney grounds. The All Nations have strengthened their crippled club this week by the addition of Chief Smith pitcher, Geo. Walla second baseman and Lorenz, an outfielder. Mendez is expected to be back in the game within the next ten days when the All Nations will again have their usual strong club.

Win At Glendive.

Glendive, July 4.—The All Nations won from the Glendive club here to-day in an interesting game.

The All Nations batted Goldrick hard while Donaldson held the Glendive team to one hit until the ninth inning when they got two runs on two hits. The feature of the game was the hitting of Dunbar and Jap Jacobs of the All Nations.
