

LANGDON VS. ALL NATIONS

Tuesday of next week, July 11th, promises to be a "red letter day" with the base ball fans of Langdon. Arrangements have been closed by the management of the Langdon team for two games on that date with the famous world's All Nations one of the games being called for 3:00 in the afternoon and the other in the evening at 6:30. The All Nations have players in their line up of practically every nationality on the face of the earth, including John Donaldson, the greatest colored pitcher in the world; Mendez, the Cuban who pitches and plays short for the All Nations, and defeated the Detroit Tigers at Havana, Cuba in a 1 to 0 game, striking out the famous Ty Cobb and Sam Crawford. The contract for the All Nations, calls for Mendez playing in both the afternoon and evening games. It is also guaranteed that

Donaldson will pitch one of these games. The All Nations filled an engagement at Cando on the Fourth and won the game by a score of 6 to 2. There will be some fast base ball in the two games of next Tuesday which it will be worth the while of "fans" of the national game coming from all parts of the county to see. Don't miss this event of the season. Be here and see Langdon win.
