

ALL-NATIONS WIN WITH SINGLE RUN

TAKE 1 TO 0 BATTLE FROM
MITCHELL BRAVES AS A RE-
SULT OF RAGGED PLAY.

It took about four nations and one costly boot to defeat the Braves in an otherwise brilliant battle at Hitchcock park yesterday afternoon, the All-Nations club winning by the score of 1 to 0. Ed Liston, making his debut on the mound for Mitchell, held the visitors to three scattered bingles.

Brilliant fielding featured the defense of both clubs, the allies playing an errorless game and the Braves cracking under the strain in only one spot. Art Smith, the visiting slabster, pitched one of the hardest games Mitchell has tried to hit this year, although a ninth inning rally threatened to tie the score and send the battle into extra innings. Seven hits were garnered off his delivery.

The baseball fans, who were present in large numbers, got their monies' worth from the state of the game. After Walla, the Indian third-sacker for the visitors, had cracked out a grounder to Murphy, Dunbar hit the ball for what looked like a safe drive to right field. Starting at full speed, Gilmore scooped the ball with one hand about six inches off

the ground in a circus catch. After playing of the kind, Donaldson's hard grounder to Scharnweber looked easy. Pheney, the first man up for Mitchell, cracked the ball into safe territory in right field, but died trying to steal second.

Two men were whiffed by each twirler in the second frame, Dougan hitting safely into center field with two men down. After Crow had fanned for the visitors in the third, Blatnier, the Hawaiian second-sacker, hit for a single into left field. He tried to pilfer second but was the first of the three runners nailed easily by Dougan going down. With two men out, Russell Donaldson, brother of the famous dusky hurler, drew a walk . ought on the line between Butler and Scharnweber, the big first baseman dropped the ball when the colored boy butted into him head foremost. In the mixup that followed, young Donaldson stole second and then scored when Butler dropped Murphy's peg on Walla's grounder. Dunbar was hit by Liston, but was forced by Donaldson at second.

Pheney drew transportation in the third and Dougan singled at the start of the fifth, the next three hitters driving into waiting mitts. Walla hit safely in the fifth, but fell victim to Dougan's whip to second base. Durham was hit in the shoulder in the seventh, but another attempt to steal the second bag and Dougan had the ball on him. At the start of the

seventh, Butler singled to center, but Seney and Dougan popped out to third and Murphy to short.

In the ninth, Young handled Donaldson's long drive to center with ease. In the last half of the frame, Young and Scharnweber popped out to short and third. Hopes for a rally started when Butler smacked the ball over third and Seney hit through second for clean singles. In his anxiety to hit safely, Dougan just touched the ball and roled an easy grounder to Smith.

Both clubs were scheduled to play again at Hitchcock park at 4 o'clock this afternoon. The next game is at

Ethan Thursday and at Alexandria Friday. On Sunday, Mitchell plays at Plankinton.
