

# CENTERVILLE WINS FROM ALL NATIONS

Centerville, May 15.—The formal opening game of the season was played Thursday afternoon with the All Nation team of Des Moines, score 3 to 1. Centerville made its entire score in the fourth inning and All Nation in the seventh. With Wheeler pitching and Miller behind the bat, only two hits were made against them. The visitors had Jackson and Donaldson in the box, who lost eight hits, and Bloomberg catching. Errors were even, two each. The game was exciting throughout, and was seen by a large crowd, the stores closing for the opening game. Two preliminary games have been won by Centerville, so they start on the season confident of success. The All Nations will play at Unionville, Mo., Friday, and returning here for Saturday and Sunday.
