

All Nations Do Beat the Dutch

**SIXTH INNING DISASTROUS FOR
ATHLETICS IN MONDAY
GAME.**

**ERROR BY "HANNA" WILL
STARTS ALL NATIONS TO
FOUR RUNS.**

One big inning, the sixth, when a break went to the visitors, gave the Nations the game Monday against Athletics. Four juicy scores tripped over the plate in that frame and in the next inning they annexed another, the final score being 5 to 2. The Athletics should have chalked up more scores in the fifth inning, but, as happens, poor coaching kept them from scoring more than two runs.

The way the game began it looked like a pitchers' battle between Conway and Sam White, for both of them fanned three in the first inning. In the second the local batters bunched hits off White and drove him to cover, Jackson got the slab in the sixth inning. Jackson's speed and hooks had the Athletics baffled and they could not do anything with him.

Conway, who twirled the entire game for New Ulm, was in fine form, striking out thirteen of the All Nation batters. He allowed six hits and passed one man but several of the hits came after chances to retire the side had been offered. Not a single run was earned off his pitching.

Little "Hanna" Williams was the unfortunate goat of the contest, for it was his error in the sixth that paved the way for the All Nation scores. The speedy youngster evidently had an off-day which comes to the best of them every once in a while. The ball appeared to take a bad hop and Mendez' speed was too great to allow Williams to throw him out after fumbling it.

Until the last of the fifth only two men had reached first and neither of them had a chance to count. Pfeiffer then began the cannonade which drove White to the coop. "Big Bill" was the first man up

for the Athletics and he smashed a single to center. Then the All Nations drew in for the expected sacrifice bunt and "Chick" Williams crossed them by driving the sphere to left center for a pair of bags, scoring Pfeiffer from first. The coacher on third was so tickled that New Ulm had rung up a score that he forgot to let "Chick" know where the ball was and Williams was run down between second and third. After Hodgins grounded to Blattner, Burk lined single to left and Dahms' double to the same field brot him home. Dahms went to third on Mendez' wild throw to the plate to catch Burk. Conway walked and drew a throw to first, but Dahms waited too long before making his dash for the plate and Conway was run down.

Things looked very bright for New Ulm as it seemed impossible for the All Nations to score more than one run off Conway. But the balloon exploded with a loud bang in the sixth. With the game gone Williams fumbled Mendez' ground ball long enuf to give him a life. Dunbar was passed and White scored Mendez with a clean hit to left. Schonburg's single counted Dunbar and two more runs resulted when Conway fumbled.

Jackson's dinky roller. Donaldson put an end to the mess by striking out.

After Symour skied to Cordes in the seventh Walla smashed out another hit

and stole second. He went to third on a passed ball and scored on Blattner's hit to right. That was all of the scoring for the day, altho both teams had a chance or two to push one over.

New Ulm's final opportunity came in the eighth. Conway was safe on Walla's high throw and "Hanna" walked. Jackson was equal to the occasion, however, and struck out both Shapere and Cordes, retiring the side. The last two innings were played in semi-darkness and one cannot blame anybody for striking out.
