

MILNOR LOSES CLOSE GAME TO ALL NATIONS

Milnor, N. D., July 19.—Of all the ball games played for years by the Milnor aggregation, none proved more interesting and electrifying than the game Thursday on the home diamond between Milnor and the All Nations team of picked men from all over the

country.

The first two innings neither side scored. Then the first half of the third came and slippery-elm could be purchased for a phonograph song. The home team lost their equilibrium and one error after another followed in quick succession. When Humpty-Dumpty sat up again the visitors had three scores—that was enough to settle most anything—even a bad debt.

So the home team undaunted went to work again, the side retired and not again did the visitors get a look in until the first half of the ninth, when another costly error permitted one more run by the Nations. It sounds bad, but it's true just the same—the Nations did not earn a run. Milnor on the other hand, twice had a man on second and third (once with no men out) which made the black man look serious. Added steam, however, on his part retired the side before they could push around to home plate.

Hits secured off Donaldson, 5; off Faris, 5. Struck out by Donaldson, 13; by Faris, 9. Score 4 to 0.

This game is the last of the season with Milnor. Too bad! We'd like to see the same bunch go agin those Nation fellers once more, but gess it can't be so. We'll lay for 'em next year, an' don't you forget it, an' we'll get their scalps, too, if they have any when that time comes 'round, begosh!

Good-bye "Donny," yo' face is so black, but yo' heart is white.

Two Players Sign.

As a proof of the quality of our boys we submit that the All Nations management have signed up Durham and Henry and they play with them against Wahpeton tomorrow—Friday. Also, in spite of the fact that the All Nations have four pitchers with them, they made a strenuous effort to sign up Mr. Faris but Mr. Faris turned it down for reasons best known to himself.
