
HERE'S A PITCHER THAT HATES HIMSELF

The Arcus-Leader of Sioux Falls tells a story of Pitcher Donaldson of the All Nations who hasn't been defeated.

According to this tale, John Donaldson, the veteran slab ar lat of the All Nations, was discussing the merits of the Mitchell nine, three-time pennant winners of the Dakota League.

"Well," said John, "tell you what I'll do. I'll post a \$500 wager we can lick Mitchell and to give them real chance. I'll take one man out of the team each inning after the first and not put anyone in his place, leaving just pitcher and catcher in the ninth."
