

SEMIPROS DOWN PACKERS BY 4-3

Showing a good, fast ball club, the Kansas City Monarchs defeated the Omaha Packers, 4 to 3, Thursday night at League park before 2,800 persons. It was an off night for the Western leaguers as far as loop games go. St. Joseph comes here for a four-game series starting Friday night.

Young Jerry Gardner took the mound for the locals with Circle behind the bat and a ball player by the name of Dolejack in Lewis' place at second. Dolejack is just traveling through. He was with Toronto the first part of the year.

Until the Monarchs put together five hits for three runs in the sixth, there were only three safeties chalked up by the two outfits. McHenry, hurler, hit his second double and Motel laid a swell bunt and lived when Gardner couldn't field it. Orange grounded out but

Allan pasted the pellet against the boards in left field and a moment later Rodgers singled to bring him in with the third tally.

Pug Griffin's men got their markers in the seventh. Nickelson walked and Circle doubled to set the pins for Johnny McMahon. Johnny whistled the ball through second base to score them both and then went to third when Rodgers muffed Lewis' fly to right.
