SUNDAY'S GAME.

Sunday's game proved to be quite a surprise to many fans, the Tennessee Kats taking the game by a score of 7 to 0.

Adams did not prove to be effective against the Kats and they had a left handed pitcher who chopped many of Centerville's best hitters off at the plate and on but two occasions did Centerville threaten to score.

A triple play in the ninth inning executed by Third Baseman Harris was the feature play of the game.

This is Centerville's first defeat this season and should make the boys get busy and practice more.
