**HELD THE RATS TIGHT.**  
The Ackley White Sox played the Tennessee Rats, a fast colored traveling nine at Ackley Saturday afternoon and held them to the close score

of 4 to 2. The Rats had been defeating most of the Independent teams in this section of the state and are one of the best all colored teams traveling. H. Siebold pitched a fine game for Ackley. Infield errors paved the way for all the runs made by the dark-hued athletes. The battery for Ackley was H. Siebold and Stephen; for the Rats, Little and Wilson.

Last Saturday the Tennessee Rats, a colored aggregation and one of the fastest professional teams that ever wandered into this neck of the woods defeated the home team by a score of 4 to 2, and but for several costly errors at critical points, the Sox would have come out on top. The rats have a slab artist on their staff who if he had a coat of white wash would be playing big league ball. He is certainly a chocolate colored wonder with his slants. The coons were forced to use him about the center of the game in order to keep the fielders from being run to death and Ackley from walking off with the game. As it was the game was a fast one from the opening of the first to the last of the ninth. Seibold for Ackley pitched a splendid game but his support was decidedly ragged at times.
