Thursday's battle went twelve innings and was called on account of darkness with the score 1 to 1. Donaldson was again on the mound for the Rats, and those who witnessed the game say he was as strong at the end of the twelfth inning as he was at the beginning of the game the day before. He struck out nineteen men and allowed five hits. Gatchel was in the box for Estherville and was no more liberal with his hits than the colored lad, allowing only five and whiffing eight batters. The score:
