Estherville has a good team, but when they tried to make a monkey of our base ball tournament it was going too far. The players are, apparently, gentlemen off the diamond but when on the diamond at this particular game they acted like a regular set of beefers, and commenced to throw mud at Lehigh's colored pitcher, who has during the two days here, proved himself to be a perfect gentleman both on and off the diamond, and one of the best pitchers we have ever seen in a minor league team, his color being the only thing holding him back from being one of star pitchers in one of the big leagues.

Wednesday forenoon the Lehigh and Estherville teams met again and this time they played good ball. Lehigh won by the score of 7 to 0. Some good plays were made by both sides and the game was interesting from start to finish.

Score of innings:

Lehigh.....0 0 0 0 1 4 0 3—7
