The second game was between the players of the regular team with a few pickups. Donaldson and Ceperley were battery for one team and Fisher and Hobson for the other. The Fish-Hob team claimed to have the greatest number of real fast ones and expected to win the game easily from the Don-Cep team, but like several other games when the scores were counted it was found that the latter team had the big end of the score, which was 3 to 1. Donaldson's pitching was of such an order that only three hits were secured off his delivery. Tom Timmons got two hits off him and Hobson got one. Ceperley held the phenomenal pitcher real well. Fisher and Hobson were the battery for the other team and the hits came a little more liberally from the big fellow, but he held them down well, as the final score shows. Both these games were good and pleased the good sized crowd present to witness the games.
