The second game resulted in a defeat for the Stanley boys by a score of 6 to 0 with Donaldson pitching for the visitors, while Kordren started in to pitch for Stanley and was relieved at the end of the third inning by Russell Brown, who pitched gilt-edge ball the balance of the game. This was also a hard fought game, and only for unfortunate errors at critical times the score would have been about 2 to 0. Our boys have nothing to apologize for, and, on the other hand, deserve great credit for playing the visiting club to a standstill throughout.
