Nevada (IA) Representative September 5, 1913 p5 c2;

Nevada (IA) Representative September 12, 1913 p1 c2

The ball game between Nevada and a team of "All Nations" was played at the Nevada ball park Wednesday afternoon and resulted in a victory for the visitors by a score of 1 to 0.

On the other hand, the game for the visitors was essentially a battery game. Donaldson, the colored pitcher for the visitors struck out three Nevada men in succession in inning after inning. Only two or three times in the game did Nevada get to first base and only once beyond that.
