## BIG BALL GAME BRINGS CROWD TO SHERBURN

-The big base ball game between All Nations and Sloux Rapids, Iowa, teams last Thursday afternoon drew the largest crowd ever seen in this part of the country at a ball game. It was a game for your maney and a good one from start to finish. Donaldson, the colored pitcher struck out twenty-one men, while Mendez, the Cuban, did some sensational base running. It is reported that there was a crowd of six hundred people in attendance. The promotors, Messrs. George Ellis, H. G. Seifert, Martin Johnson, et al, are to be congratulated for having brought these crack players to Sherburn. It was a game that fans will remember for time to come.
