Havana, N. D., July 22.—Havana closed the most successful baseball season known to this city last Sunday, when they were defeated by the All Nations by a score of 8 to 3. Donaldson pitched for the All Nations, while Parks was on the mound for the locals. Seven hits were secured off Donaldson, including a double and a triple.

the Sunday's game. This game was the big attraction, for Donaldson, the colored pitcher, was on the mound for the All Nations, and everyone will have to admit that he is sure some twirler. Of course he is a whole lot too fast for most of the ball teams outside of the leagues but at that our boys connected with a good many of his balls for long drives into the out fields and only for the miraculous fielding, in some cases in the part of the visitors, kept the score down on our side. Pollock, of the home team got a two and three bagger, one of which brought in two scores.

Parks did the twirling stunt for the home team and pitched a winning game against any ordinary team. The piling up of scores on the All Nations side was undoubtedly partially due to errors the home team made.
