The All Nation ball players continued in their winning streak which has been following them throughout the Dakotas, by taking the candy away from the I. Appels with a 5-1 score. Donaldson started the game for the mixed crowd and Durham worked behind the bat. The mighty black one held no terrors for the orchard men and they hit him for several infield bounces that got them nothing.

In the sixth inning, Jacobs went in for Donaldson and he took a place out in second field. The lightning fielding of the A. N's kept the Appels from securing runs on hits that might otherwise amounted to something. They were all sure of eye, fast on foot and strong on the wing.

Durkhardt pitched a good game for his men and was given splendid support and things looked bright up to the sixth inning. Then the gate was left open and the rain fell. In this versa the visitors ran in three men, and afterwards kept the ball rolling every chance they got.

In the ninth Harkins dodged the white lemon for the locals by bringing out a hot one that brought Welsh across the pan for the only score.
