Lismore (MN) Free Press August 6, 1926 p1 c3

The Joliet Prison all-star ball team and the Lismore Gophers met at Slayton last Thursday as advertised, but after completing five innings of the game it was called off on account of rain, the score being a tie 1 to 1.

The Gophers received the first run of the game at their turn to bat in the last half of the fourth inning when Donaldson hit a long drive between left and centerfield which was good for only a three-bagger, but on the throw into third base the ball took a bad bounce and rolled away, letting Donaldson score. The Prison team secured their run in the first of the fifth inning when a single and a sacrifice hit put a man on third, and with two down the next batter up hit a grounder to Niggeling playing third. He fielded it cleanly but made a low peg to first and all runners were safe.

4086 pitched for the Prison team and allowed two hits and struck out two men. Donaldson allowed four hits and struck out five men. A good size crowd witnessed the game.
