

A GOOD GAME

The darkies won todays game 7 to 3. Snyder struck out 8 and their pitcher 8. Snyder was working against two of the black boys and struck out as many as both. Butler struck out 1 and Donaldson 7. Their boys got one home run, two 2-baggers, two 3-baggers and 4 base hits from Snyder. On our side Davis got 2 hits and one for H. Curtis. Davis scored twice and Austin Curtis made the other. But our boys played good ball and the darkies did not fool any today but played all the time. Tom sill got a hot liner. Their first baseman stopped a hot grounder by a long reach. Austin Curtis 3 hits

Brown said that there are more strike outs against their team in the two games here than in any two games out of 22 this season and that includes Centerville and Otumwa supposed to be league towns. He also said our boys batted their pitchers better than any they have run against.
