

# LEHIGH DEFEATED BY NEGRO TEAM

UNABLE TO CONTEND WITH  
THE DUSKY WARRIORS

SCORE THREE TO NOTHING

Accompanied by a hundred rooters and in a special car the team from Lehigh came here only to go down in defeat as many before them had done before the dusky warriors from the sunny south.

It was an interesting game as there was an immense lot of enthusiasm and the team from Lehigh put up a good fight.

As far as the game was concerned it was very close. Lehigh was only

able to secure two hits off of Morton. While the Rats made eight hits off Harkin. Goodall did most of the hitting for the Rats. Getting a single and a two bagger and making one of the scores.

A funny incident of the game was in the last of the seventh. It concerned the first baseman for the Rats and the man who generally gives the fans a minstrel show and ball game combined. He did not seem to like what one of the enthusiastic rooters for the Lehigh aggregation said about him so he came running up to the grand stand and in loud tones proclaimed that he would bet ten dollars to twenty-five cents that the Rats would win. Nobody seemed to want to risk the twenty-five cents.

The final score of the game was three to nothing.
