

The Superior Red Sox league players showed the crack All Nations team how to handle the big indoor ball last night when they trimmed the "cosmopolitans" 1 to 0 in an interesting contest at Hislop Park.

Nearly 1,000 people attended the affair and were greatly pleased with the novel contest. The All Nations team carries its own lighting equipment and the park was well lighted for the occasion.

Bill Dunn did the pitching for the leaguers and proved to be a shark at throwing the big ball underhanded. Ford did the catching, Pecky Rhoades played first, Taylor second, Black third, Barth on short and Persch, Donovan and Roy in the gardens.

The game was snappy and some speedy work was displayed. The leaguers did the better work despite the fact that the others play the contest more often. Crow and Dunbar did the battery work for the visitors.

Donovan scored the only run of the game in the first inning after two were down. He hit, went to second on a sacrifice and came home on Roy's drive to right field.

Carrie Nation's crack playing on first and her baseball chatter created considerable interest.
