

On Tuesday afternoon the Leeds team met the All Nations and the result was 8 to 9 in favor of the dusky visitors from the south. A good game was expected as the Leeds team played the same aggregation a 1 to 0 game on Sunday in which the All Nations were the victors. As the game was about to close the second pitcher for the All Nations was giving out and the Leeds team ran in scores so fast that it looked as though they would walk away with the game. The star pitcher, a cheerful darky, then went into the box and that held the Leeds men down through the inning and this finished the game.

Game played July 1, 1913. Rollette, ND
