

Sherwood 1, All Nations 8

On Friday and Saturday Sherwood played the fast All Nations team at the park, and on Sunday two games on the local diamond. The first of the series was won by the All Nations, score 8 to 1. It was a poor baseball day; the field was wet and slow and the game could hardly be called a good one. Both teams played poor ball and the hits were nearly even.

In the fifth inning a foul ball went thru a weak spot in Schroeder's mask, out his right cheek open and loosened three of his teeth. He stuck the game out, but was laid up until Sunday evening when he pitched the second game here. Stewart caught the remaining games of the series.
