

In the game Saturday afternoon between the All Nations and Elmore, the former won, the final score being 3 to 1. The game was attended by the largest crowd of the season, and all enjoyed it immensely. B. George, who, by the way, is getting to be the "iron man" of the team, pitched the game for Elmore and held them to four hits and fanned ten. Brammell acted as his battery partner. Rasmussen and Durham were the battery for the All Nations, the tall Scandinavian allowing only two hits and whiffing five. The All Nations scored two in the first and added another in the fourth. The White Sox scored their lone run in the fifth on Fate's two base hit, who advanced to third on Crow's error, later scoring from third while Brammell was being run down between first and second.

Game played August 28, 1915 at Elmore, MN
