

# SENSATIONAL GAME LOST BY CANDO TO ALL NATIONS TEAM

(Herald Special Service.)

Cando, N. D., July 26.—The All Nations won again yesterday from Cando by a score of 1 to 0, in a pitchers battle between Wilkus and Carver. Both pitchers kept the hits well scattered and pulled out of several holes by clever pitching and good support by their infielders.

The All Nations secured their one run in the 4th inning when Coleman scored from third on a squeeze play by Blukol. In the 7th inning Cando had the bases full with one out but Wilkus retired the side by striking out the next two hitters.

This closes the season of games for this season between these two clubs, the All Nations winning four of the six games played.

The All Nations have played eighty-three games this season to date losing seven, tying two and winning seventy-four. Donaldson and Wilkus have lost but one game each this sea-
