

The famous All Nations, Ball Club played several games in Centerville vicinity the past week, and in every case came out with the long end of the scores. They are a hard team to beat. In Centerville last Friday the locals played them 10 to 3 with a Mr. Quinn in the box for us. He was a good twirler and rendered good service, but the locals played some poor ball behind him. However, it was a good exhibiion, and the All Nations had to put in their premier pitcher, John Donaldson, to win. He pitched eight innings, after we had gotten three scores off the first man. It was worth the price of admission to see this famous colored gentleman pitch ball.

Game played August 11, 1922 at Centerville, SD
