

MORRIS PITCHES 7 TO 0 WIN OVER ALL NATION TEAM

**New Pitcher for Fairmont
Team Allows Three Hits—
Pitches Seven Innings No
Hit No Run.**

Quiet Jimmie Watts was aroused Tuesday morning about two a. m. with a severe case of tooth ache, that is one of the eight remaining teeth of the Hilltop manager was the offender.

So in the wee hours of the morning James crept around, while James jr. slept peacefully not knowing the misery of the elder James. Our manager thought it would be a good time to shave and also concentrate on his attack on the highly touted All Nations that were due for a two days battle at Interlaken.

Ross, the new hurler, was decided as the starter in the series, and, was he right? James should arise early every morning for mental concentration.

Ross Allows Three Hits.

The little speed merchant pitched one of the most brilliant games, yet lamped at the Hilltop diamond. Ross was in fine form and pitched Linder, the All Nation star. The visitors never had a look in, as our little right hander dished out a brand puzzling puzzlers, that held the enemy in check.

Not until the eighth inning was there anything that resembled a hit off at Ross' delivery. In this frame "Chief" White, the Indian catcher, singled sharply to left, but a fast double play, Boulet to Radtke to Brown ended his galloping.

In the ninth frame two scratch hits were made by the All Nations both of the miracle variety. Anderson, the ebony second sacker beat a grounder to deep short by inches, and Donaldson pasted one over the third sack for two bases. Nine of the All Nations were victims of strike out route.

Anderson and "Chief" White were the only All Nations players to reach third.

MORRIS PITCHES 7 TO 0 WIN

(Continued from Page one.)

Pitches Good Ball.

For six innings Linder on the mound for the visitors, pitched a steady game. In the second frame Moore doubled and scored on Fredette's similar rap.

In the third Ross tripled over Donaldson's dome in centerfield but he was left stranded on that base. Boulet, Brown and Swanman being easy outs.

Wattsmen Good in Pinches.

The crippled Hilltoppers were "Johnny on the spot" in the pinches yesterday and won the victory by hitting and fielding in tip top style. They collected thirteen safe blows for seven runs. Ross led the Wattsmen with three blows. Radtke's walk, a wild peg, and Browns single was responsible for the marker in the fifth. Fredette got life on the short's error. Heskett sacrificed and beat the throw, and both rode home on Ross' double over third in sixth round for two more counts.

Fairmont scored again in the seventh when oore got life on short's error. Fredette caught a fast one in the back. Heskett singled thru the box and Moore scored when a Donaldson's peg went to the stand.

The eighth saw the last scoring for the Wattsmen, when Ross hot footed to first ahead of a bunt-Boulet was safe on fielders choice Radtke put them ahead with a sacrifice and Brown's single scored them.

Game played September 5, 1922 at Fairmont, MN
