Rain put an end to the contest Sunday at Lac Pelletier in five innings. Schriver and Marlow dished out the offerings for Swift Current, but it was no use. The bearded boys collected thirteen hits in the quintette of frames and diverted them to seventeen runs. Dempsey with three hits, including two two-baggers lead the local crew and Greenway also got a couple of wallops. The much-heralded John Donaldson took a hand in the pitching for the Davids besides cavorting in the field.
