

St. Louis Defeats Monarchs 4-3 in 12-Inning Game

A twelfth inning rally in which a trio of base knocks netted a run gave the St. Louis Giants a 4 to 3 victory over the Monarchs in the second game of the series at Association park yesterday before 7,500 fanatics.

Mendez, who started on the hill top for the Monarchs, was nipped for a marker in the third round and two more in the sixth, while the Monarchs collected all their runs in a seventh inning rally, slamming out a double and two singles, which netted three runs.

Currie relieved Mendez on the firing line in the eighth and kept the visitors well at bay until the fatal twelfth, when he weakened and yielded three wallop, which gave the Mound City crew the winning tally.

Bill Drake hurled a steady game for the Giants. He was hit freely, but kept the blows well scattered.

Donaldson will do the flinging for the Monarchs in the third game of the series this afternoon, while Padron will take the firing line for the Giants. Score:

Giants Win Sunday's Game.

It took several extra sessions to decide the contest between the Giants and Monarchs today. As predicted, the Giants showed considerable more strength today than yesterday. Drake, working for the Giants, was signally effective. Here's your fine stalwart athlete, broad of shoulder, strong and keen-eyed, with, evidently, virile brains to direct the happy physical combination. The sturdy mounder held the Monarchs down to meager as well as scattered hits for twelve long innings. It was a close game today. The playing was easily of the big time variety. The Giants scored one in the second round and two in the third. The Mon-

archs failed to score until the seventh inning when they made three—it was then blank-ety-blank until the Giants finished with a score in the twelfth inning, the game. The Giants hit Mendez liberally and he canned himself from the mound in favor of Currie, that arch performer, who pitched brilliant ball, but could not retrieve the fate of the Monarchs. A close decision precipitated a squabble which was soon adjusted and the game went on. The fans all voted that it was the best game of the season. There were fully ten thousand of these present. Of course the daffies said "eight thousand," but allowing two thousand for diplomatic discouragement on their part and you are nearer the real.

GIANTS WIN LONG GAME FROM KANS. CTY.

The St. Louis Giants won a twelve-inning game from Kansas City last Sunday. Score, 4 to 3.

The Kansas City team plays in the American Association park, which has a seating capacity of 10,000, and it was said that the St. Louis Giants brought out the largest crowd that has ever been seen on the field this year.

The game was full of star plays throughout. Donaldson, Danago, Carr, third-baseman for Kansas City, made great plays and turned back many scores. It was a great battle for Drake but his cool and sturdy ways brought many cheers from the stands at all times.
