

American Giants Take Kansas City's Measure

Schorling's Park, Sunday. — The American Giants had little trouble in convincing the Kansas City Monarchs that they were not their equal, the visitors going down on the short end of a 5 to 0 score. The Brown battery (no relation) worked for Rube, opposed by Sam Crawford and Rodriquez. The visitors' only one run came in the seventh inning when Rogan singled, Donaldson and Carr fanned, Rogan pilfered second as Rodriquez took a healthy swing and missed, the Cuban hit to left, Gans misjudged the ball in the sun and it landed safe, but the left fielder fumbled long enough to let Rogan, who had stopped at third, score.

The home team did their scoring by playing real baseball, crossing the visitors time and again. In the first frame three infield hits eased one run across. In the third Torrenti, the first man up, tripled, J. Brown walked and

stole second. Gans rolled out Armulst to Carr, the Cuban scoring. Grant poked a slow one and was out on a close decision to Carr; Brown scoring. Three runs in the lead, the Giants added two more in the eighth. Clever base running of DeMoss, who stole second and third, also Malarcher and Gans' theft of second and J. Brown's theft of third, a single, an infield hit and a fielder's choice doing the work. Next Sunday the Giants meet one of the hardest foes of the present season in Rogers Park, the crack semi-pro white team that makes the home lads extend themselves to win.
