**Estherville Team Improves.**  
**Special to Times-Republican.**

Estherville, July 17.—Estherville's baseball team played a ten inning game with the Tennessee Rats, a colored team, with the result, 3 to 2 in favor of the latter. They played off the tie with the Emmetsburg team last week on the home grounds losing by a score of 1 to 3. In both games the scores were made in the last two innings. Friday they played in a little better luck, beating the fast Worthington team 3 to 1, at Worthington.
