

WILLIE FOSTER STOPS WANERS, HERMAN, ET AL

KANSAS CITY, Oct. 5. — More than ten thousand eager spectators saw Willie Foster, former Chicago American Giants southpaw, hurl the Kansas City Monarchs to a 4 to 3 victory over "Cot" Tierney's All-Stars, here yesterday afternoon at Muehlebach field. Heinie Meine, of the Pittsburgh Pirates was the opposing pitcher. Foster's flinging turned back the big bats of "Babe" Herman, "Sock" Seibold and Paul and Lloyd Waner, all major leaguers.

In the third, Joseph opened with a 1-baser and went to second when Meine sat down in the mud while attempting to throw out Rogers. Bo's advanced on a passed ball, and Rogers scored when Eddie Pick kicked around Donaldson's hot grounder to third base.

Monarch's Boost Lead

Another counter was pushed over in the fifth when Joseph singled over second and went to third on Robers' hit through short, scoring later while Paul Waner was pulling down a fly off Mothel's bat and doubling Rogers off second. In the eighth with one down, Mothel doubled to deep center, scoring a minute later on Allen's fly to the same territory which bounced out of Lloyd Waner's glove. Allen, then scored first on Young's single.

The All-Stars waited until the sixth to register, scoring twice on a double by L. Waner, a base on balls to Kukul and a single by Paul Waner. The Waner brothers again did their stuff in the eighth when Lloyd singled, advanced to second on Kukul's sacrifice and scored on Paul's double to the right field embankment.

Fans "Babe" Herman

"Babe" Herman, among the heavy dynamites in the National league, roamed right field in brilliant style for the "All-Stars," but was unable to do much with Foster's pitching. While "Babe" got one short single, he also struck out twice, and his other attempt was an easy ground-er to Mothel. The score:
