Jamestown, N. D., July 14.—(Special to The Herald.)—Before a crowd of 2,000 enthusiastic fans, the All Nations defeated Jamestown for the third successive time yesterday by the score of 4 to 1. The game was a 14-inning pitchers' battle, the mighty Donaldson being opposed by Lyle, formerly of the Northern league. Both pitchers were in fine form, though Donaldson had considerably the better of the closing rounds. The game was runless till the fourteenth inning, when a combination of four hits and two errors gave the All Nations four runs and the game. Jamestown scored one in their half on an error and a single. Mendez featured at short with some scintillating fielding. Donaldson is credited with twenty-five strikeouts and Lyle ten. The score:
